

## STAFFING SIMPLIFIED

Customized staffing solutions with an agency you can trust, connecting lives for the better with traditional staffing, skilled trades staffing, direct hiring, and HR consulting.

## We can be anywhere you NEED to go

### Traditional Staffing Services

We've placed our focus on fulfilling needs for industrial and manufacturing staffing. We place professional workers in positions ideally suited to their experience, skills, and the company's needs.

### Skilled Trades

We have staff dedicated to fulfilling employer needs in the skilled trades market. We also love helping welders, pipefitters, and skilled tradesmen find work.

### Managed Services

If you are using more temporary employees, our fully integrated managed onsite staffing model can service you from coast to coast.

### HR Consulting and Consulting Services

We provide experienced HR Consultants to take on the job of managing your employees' HR needs, while letting your business focus on future success.

## That's the OpSource DIFFERENCE

### OUR MISSION

OpSource Staffing Invests in Your Success. Whether you represent a company searching for staff or an individual on the hunt for a job, our #1 focus is you. We specialize in industrial staffing and skilled trades, taking great people and finding them great companies to work for.
